# About

# OUR COMPANY

Mahindra Solarize offers innovative and technologically superior energy solutions in the Distributed Energy Space. Our Vision is to accelerate & democratize accessibility of clean energy to the masses, thereby fulfilling our goal to promote green technology and sustainable solutions in Renewable Energy, through innovations in photovoltaic renewable energy panels and power systems, which would contribute to preserving the environment.

## Our Mission

To be the most preferred brand for solar solutions by:

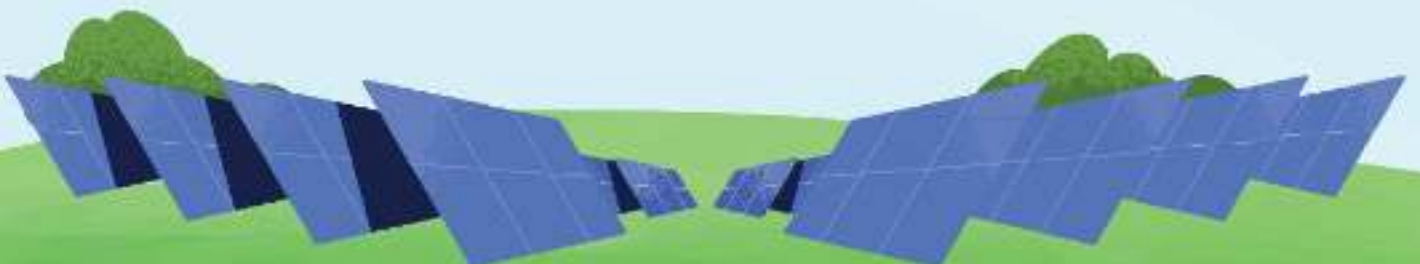

- Catering to the renewable energy requirements of the community of green crusaders.
- Adopting and implementing business practices that minimize environmental risks.
- Ensuring sustained profitable growth thereby creating value for internal & external stakeholders.
- Embrace digital transformation for higher productivity, flexibility & reach.

## Our Vision

To accelerate the adoption of Distributed Renewable Energy by offering innovative and technologically superior products and solutions.

We have a vision for

**a better  
tomorrow**

# WHY MAHINDRA SOLARIZE?

Powering your premises with a Sustainable and Cost-Effective solution.

## Trust of Mahindra

One of India's leading EPC companies  
~260+ MWp of Onsite Solar portfolio  
Operation and Maintenance through group company - Mahindra

## Safety Standards

ISO certification 14001:2015  
(Environment Management System)  
ISO certification - 45001:2018  
(OHSMS -Occupational Health & Safety Management System)  
6.5 Lakhs Safe Man Hours without LTI (Lost Time Injury)

**mahindra**  
**SOLARIZE**

## Quality Assurance & Technological Superiority

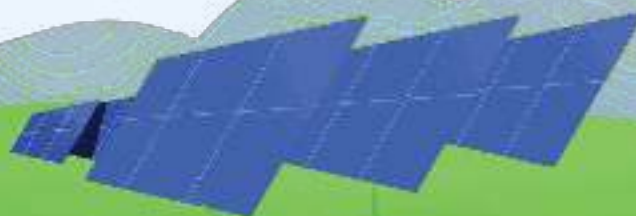

Best in class Design and Engineering  
Customized Solution  
Superior Project Management capabilities  
ISO certification - 9001:2015  
(Quality Management System)

## Other Benefits

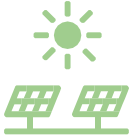

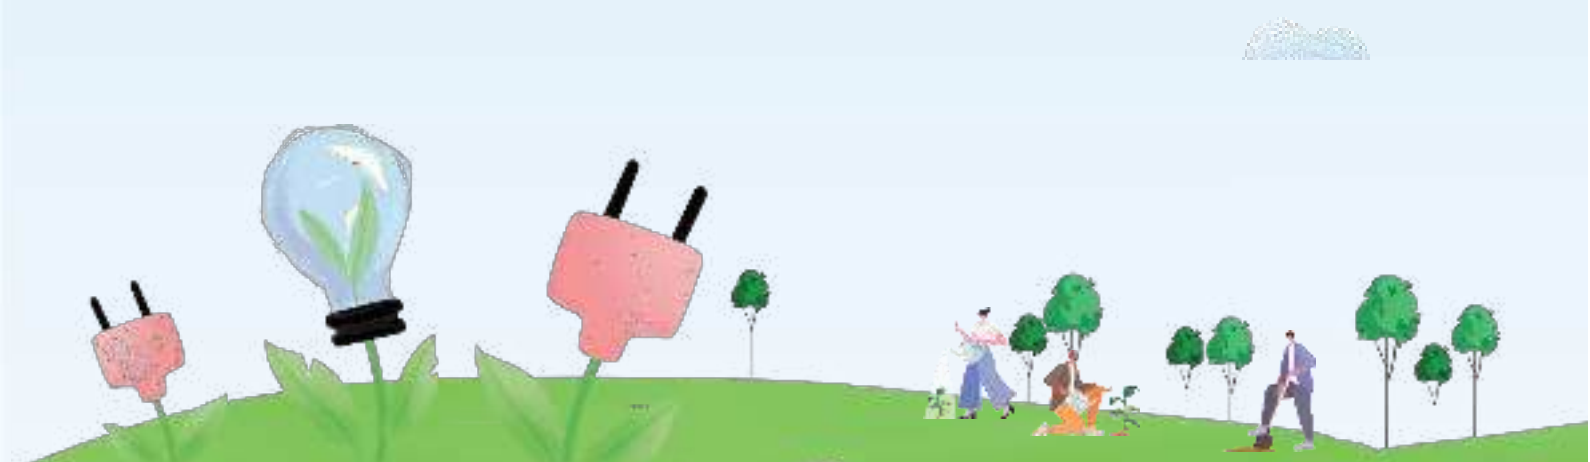

Save up to 50% to 75% of Electricity Cost with our Rooftop Solar Plant  
Easy financing solutions  
ROI = 3 to 5 years  
Upto 100% project financing with financing partner

# SUSTAINABILITY

Apart from being in the solar business where we provide sustainable Residential Solar Rooftops, Commercial and industrial solar rooftops, and Solar water pump solutions, we are proud to be a part of the \$20.7 billion Mahindra Group, which has a presence in 100+ countries. The Mahindra Group operates in 21 key industries, with a proven track record of offering innovative solutions to various sectors. Mahindra Solarize, part of Mahindra Group, is one of the leading solar companies in the country.

# OUR OFFERINGS

“COMPLETE SOLUTIONS UNDER ONE ROOF”

Mahindra Solarize offers innovative and technologically superior energy solutions in the Distributed Energy Space.

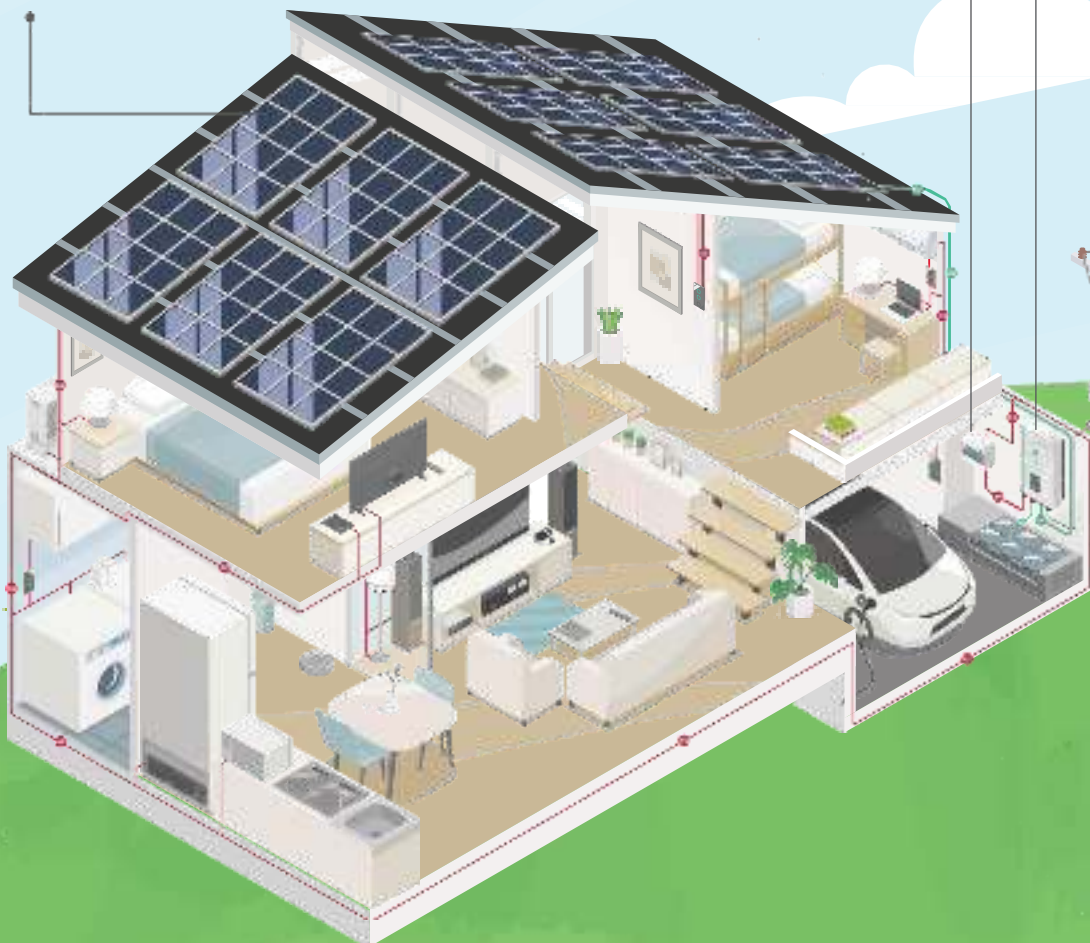

Solar Panels

ACDB DCDB

Inverter

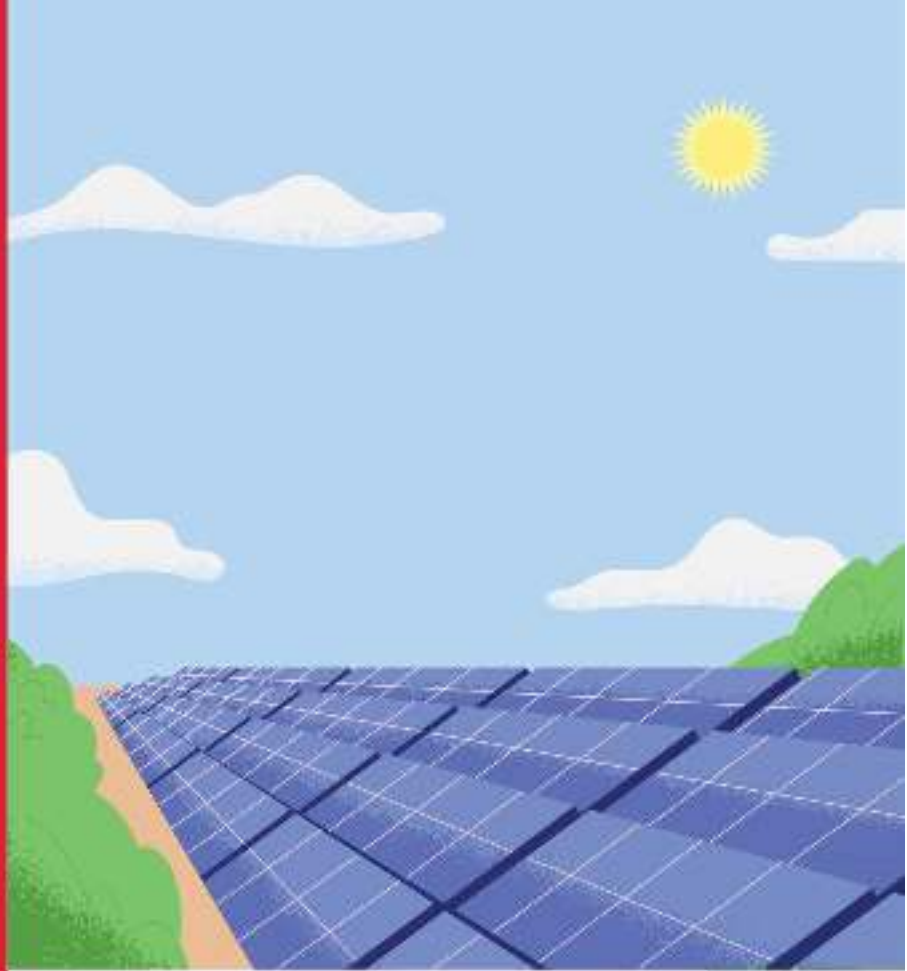

# Our **SBUS**

## 01 Commercial & Industrial

## 02 Small Rooftops

## 03 Solar Water Pump

## 01

### Commercial & Industrial

Catering to Commercial and Industrial Segment with various types of installation such as Ground Mount, Rooftop, Carport, Elevated Structure Solar etc.

Reduced cost of electricity

---

Reduced Carbon Footprint

---

Assured Return on Investment

---

Utilization idle space / roof

## 02

### Residential

The power of the sun-on your roof making our shared planet greener through clean energy.

A brand that delivers trust

---

Superior technology deployed

---

With 25 year life of Solar PV Plants

## 03

### Solar Water Pump

Enabling & enhancing rural lives; through installation, commissioning & after sales of solar water pumps across various states of India.

Simplified Torque-Vector Control

---

Energy Efficient System

---

Remote Monitoring System

# Our Clientele

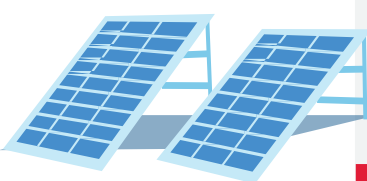

# Testimonials

"As part of Energy savings initiative, we decided to pursue clean energy option through Solar Rooftop installation by utilizing idle roof at our Kuppam, Facility. We are happy with quality of services and timely completion of our ~3 MWP Solar plant and would recommend Mahindra for Solarizing your premises."

**RBA Textiles Pvt. Ltd.**

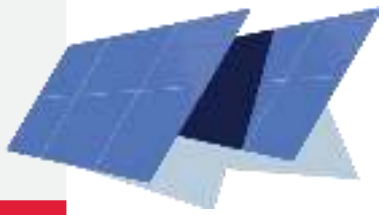

"Kone has a mandate to "Go Green" globally before end of the year 2024 by all supply units. Kone India is the first to adopt Solar among Kone group. We selected Mahindra as our partner to Solarize for our rooftop solar. Despite tough times owing to Covid restrictions, Mahindra team executed the project to our satisfaction in terms of quality and safety. We are happy with the services offered by Mahindra and can recommend to companies who are looking for top quality Solar projects."

**Kone Elevator India Pvt. Ltd.**

"We are global specialist in electrical and digital building infrastructure. "Reduce our carbon footprint" is one of our main areas to improve lives and it is our CSR commitment as well. With this commitment, we decided to Solarize our Jalgaon factory, Maharashtra with one of the leading solar solution providers. Considering the brand, expertise, and client base, we decided to award Mahindra with 329 KWp Solar rooftop.

We appreciate Mahindra team for the commitment & quality of work and would recommend to any consumers for Solar rooftop solution. Best Regards."

**Novateur Electrical & Digital Systems Pvt. Ltd. (Legrand Group)**
